

The Firecracker Ball is a very high profile event to be held on 10th November 2018 and is arguably the most keenly awaited on Yorkshire's social calendar; the ball is attended by over 700 of the North's most influential and successful business leaders every year and has raised a total of almost £2.5million for Barnardo's since 2002. The committee of volunteers work tirelessly to make sure that The Firecracker Ball is the highlight of the social calendar in Yorkshire. A key aspect to the success of the event is sourcing 'Money Can't Buy' prizes; we have had prizes raise in excess of £30,000 in previous years.

A unique feature of the event is the desire of the committee to give guests an amazing experience, whilst ensuring Barnardo's remains at the forefront of their minds. There is real enthusiasm within the committee to keep the event fresh and exciting through theming the event each year, which in turn encourages guests to come back each year, giving guests the 'wow factor' helps Firecracker Ball to be memorable for not only helping Barnardo's but also for being a really enjoyable fun event to attend. The theme for 2018 is to be 'Rio Carnival'.

Wish list Prizes Firecracker Ball 2018

THANK YOU for your support

All donations are very gratefully received, and all supporters will be acknowledged in the event brochure. We can also offer some publicity via social media and depending on prize, there may be an opportunity to place an advert within the event brochure. Logos and company details will be displayed within the electronic bidding system at the Ball.
